SUPERINTENDENT'S MESSAGE

Dear Students:

Yours is a minature world you live in while attending public school.

Here you meet with problems in a small measure that are very similiar to the problems that you will be confronted with in the business world.

At school you succeed or fail, you play, part of the time you win and part of the time you lose. Some of the time you are rewarded for your accomplishments, on other occasions you receive little if any recognition. Some have many honors come their way, some few, if any.

So as you climb one by one a rung of the twelve stepped ladder that may represent the twelve years of your school life, my hope is that you are shaping your life to meet the problems of the business world with much success.

A final word to you, our very fine seniors, almost by the time you read this you will be graduated into the world I have tried to picture above and I hope that in some small measure during the several years, we have been together I have contributed something to your life that may help you to overcome and solve the problems that may lie ahead.

Your friend,

R.L. Huffman

PRINCIPAL'S MESSAGE

The 1971-72 school year is depicted in these pages as we lived and experienced the good times and the bad. For some it was a year of change, others a year of useful experiences, and for a few, a year of regret and wastefulness. However, for all of us we shared a year of maturity and many memories. Thank you Annual Staff for your efforts and contribution of these memorable pages.

Seniors, keep faith with thyself. As you take up your role in society and assume your places of leadership, remember your obligations to your fellowman. Congratulations and may God's blessing go with you in all your endeavors.

For all of us, let's be diligent, honest, sincere and faithful and again in 1972-73 the Chico Dragon will continue to be admired and respected.

Sincerely,

Billy J. McKinnerney

PRINCIPAL'S MESSAGE

*Best Wishes
T.F. Singleton*

Let me commend you, the annual staff, for preparing this 1972 yearbook for us. I am sure that each of us will cherish it because of the memories it will bring to us in the years ahead.

I feel that this has been a good school year, and believe that most of us can feel happy that we have done good work.

Those who have not done their best can still resolve to begin doing a much better job.

Again let me congratulate you for a successful accomplishment.

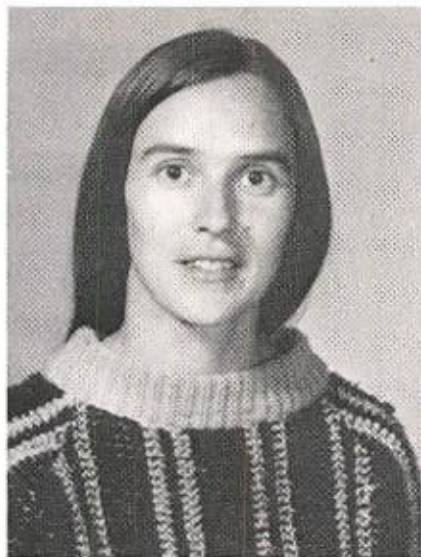

Yours sincerely,

T.F. Singleton

DISTRICT CHAMPS 1971

The junior high football team had a record of 4 wins and 1 loss in 1971. They started the season at Perrin and were handed their only loss of the year by the score of 6 to 2. They played Paradise next and won 28 to 0. The Dragons took on the Perrin Pirates for another rematch and won 22 to 12. Alvord was the next opponent and they were defeated by a score of 36 to 8. This set up a district playoff with Masonic Home at Boyd and our boys came home with the district championship. The score was 26 to 20.

TEXAS POWER AND LIGHT COMPANY

If Ben Franklin could see us now!

He would be amazed!

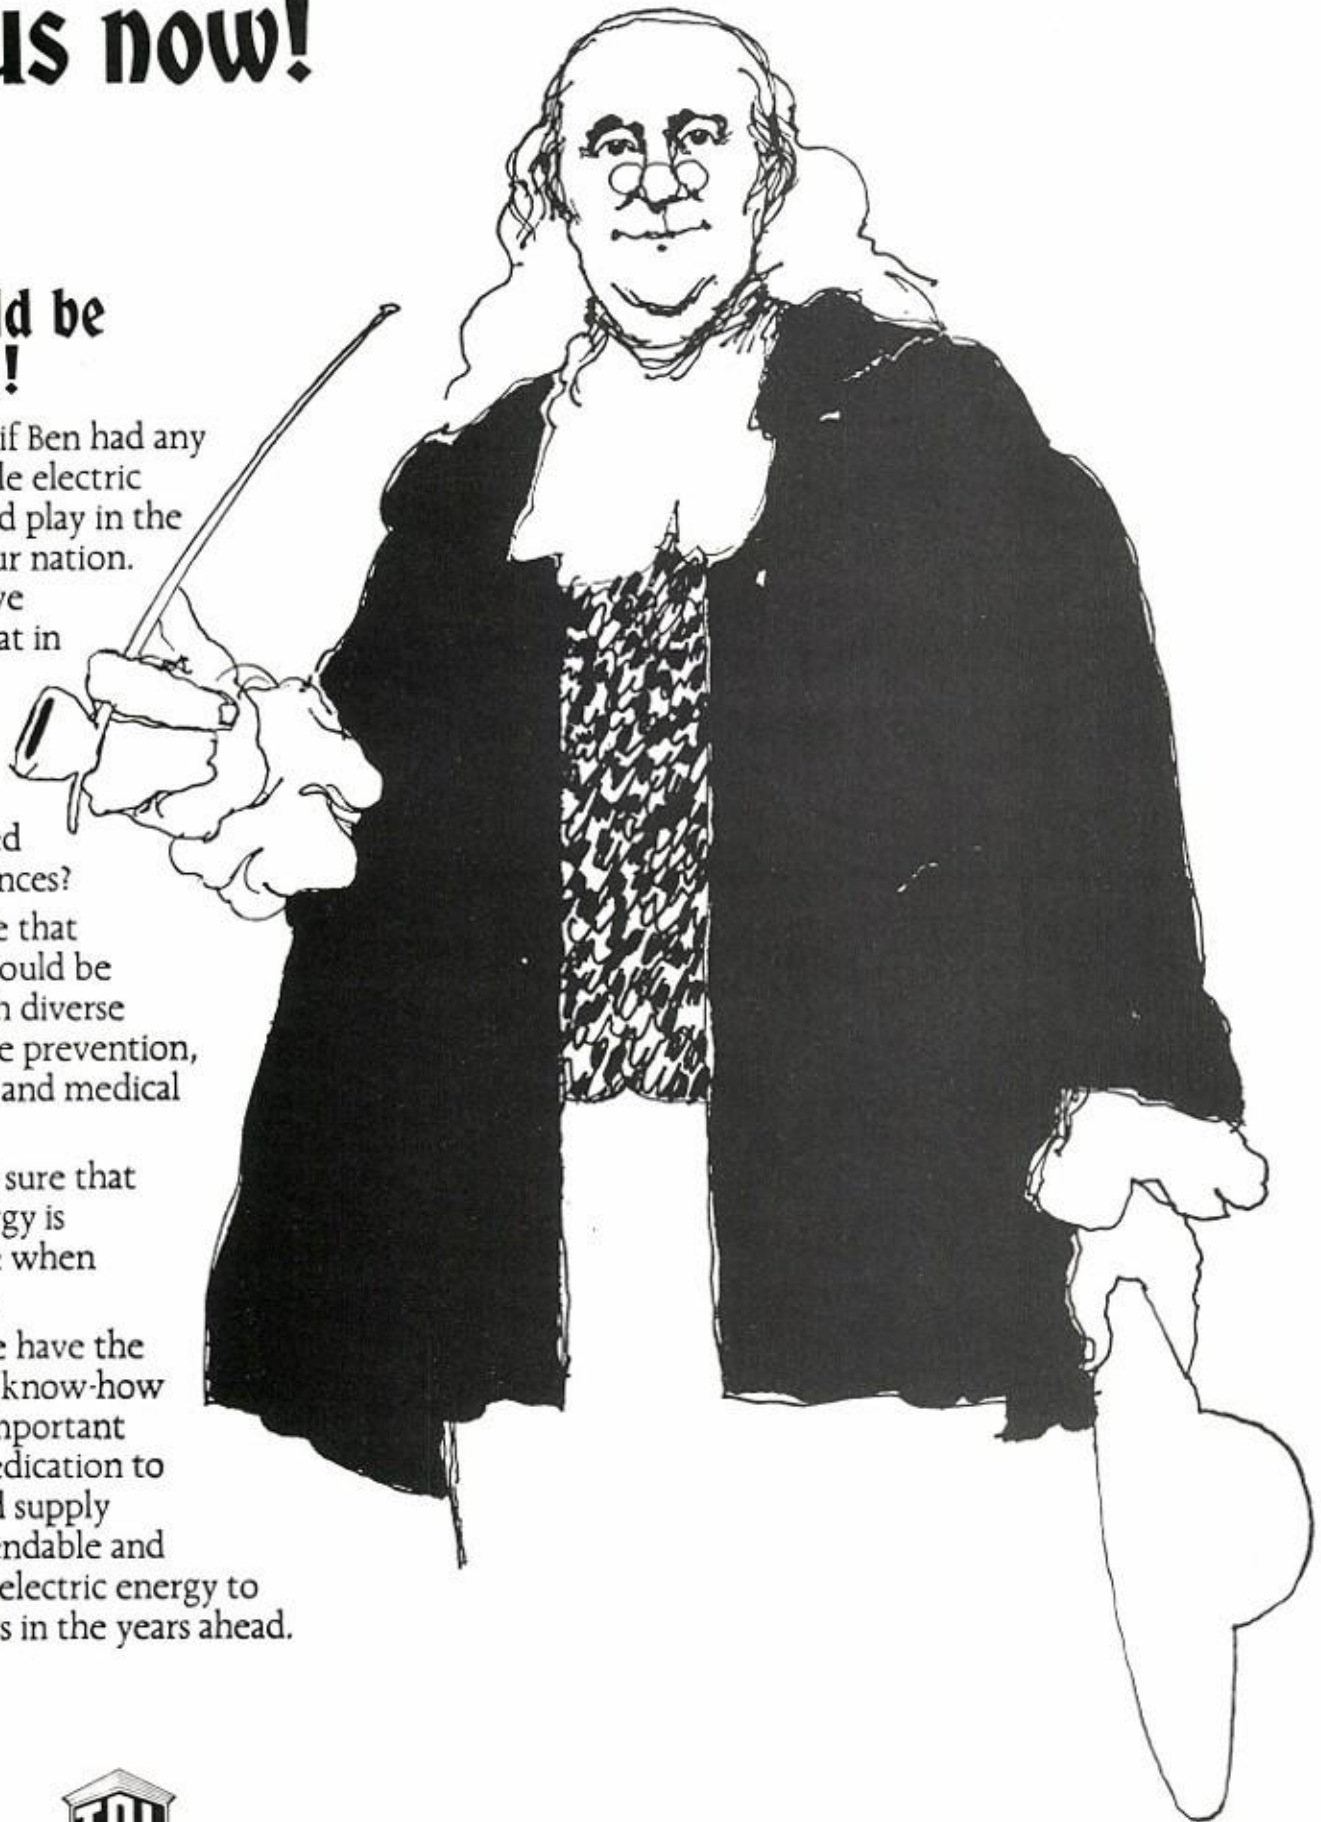

We wonder if Ben had any idea what role electric energy would play in the growth of our nation.

Could he have suspected that in 1971 there would be more than 200 electrically-operated home appliances?

Did he foresee that electricity would be useful in such diverse areas as crime prevention, traffic safety and medical treatment?

TP&L makes sure that electric energy is always there when you need it.

TP&L people have the experience, know-how and, most important of all, the dedication to produce and supply ample, dependable and economical electric energy to all customers in the years ahead.
